Sale of Track & Field Equipment

Athletics & Cycling Masterton advise that we have the following track and field equipment available for sale. If you or your club is interested in purchasing any of the equipment or would like to make further enquiries please contact our club President, Graeme Butcher on 021 8181080 or runfargb@gmail.com

The equipment is being sold because we no longer have a track and field section anymore and have no intention of resurrecting the section within our club.

All items are in an “as is, where is” condition and no guarantees are offered.

All reasonable offers for equipment can be made to Graeme by 10 December to the above email address.
