### The competition

In 2020, the Interprovincials will be held in Auckland over the Easter weekend. We expect that the team will travel to Auckland on Good Friday (11 April) and return on Easter Monday (14 April) with the competition held over two full days on the Saturday and Sunday.

11 athletes in each of the following age grades will be selected to represent Wellington:

Grade 12 Girls, Grade 12 Boys, Grade 13 Girls, Grade 13 Boys

Athletes selected for the team will compete in four events (must be a mix of track and field events so 3 track and 1 field or vice versa or 2 track and 2 field). It is a team-based event with points awarded for the times you run or the distances you throw or jump. The team with the most points wins, so every person in the team contributes towards the overall result. Relays are included at the end of the event and there is a prize-giving on the Saturday night. It is a fantastic event for these athletes as they're competing against the top 12 and 13 year olds in the country, in a team environment.

### Role of Managers

Two managers are assigned to each of the four gender/grade teams of 11 athletes. The role of the eight managers includes helping with overall planning and logistics for the trip, selecting athletes, and supporting their allocated team of athletes throughout the Interprovincials. This includes managing the team while in transit, and in their accommodation, as well as during the competition.

### Selection

To be considered for a Manager position, please sign up online by **15 August 2019**. The Managers will be selected by **end August 2019**

### Costs

Athletics Wellington will pay the costs of travel and accommodation for the managers selected for the representative team.
