

Competition Rules and Draft Programme

Please note - NO LATE ENTRIES WILL BE ACCEPTED

1. Health and Safety

During the scheduled competition:

- Athletes are to adhere to the safety briefing and follow the instructions of the Chief official at each event
- Athletes must only warm up on the field when directed to and under the supervision of an official
- Only competitors and officials are permitted to be in the competition area
- Training is prohibited anywhere inside the arena

2. Athletes must be college age and upwards and registered as a financial competitive member of an Athletics Wellington club in order to compete in the Wellington Champs. Registration must be complete by the closing date for entries. Visiting athletes, who are financial members of clubs from other regions, may compete but will not be eligible for titles.

3. ANZ Regulations, Rule S143.2, state that club uniform must be worn for these Championships. Failure to do so may result in disqualification.

4. Track events will be run in age grades. Age Grades may be combined into one race by the Meeting Manager/Competition Secretary, when deemed necessary, to create appropriately sized fields. This won't be determined until entries have closed and scratchings are known.

5. Athletes may elect to compete up **one grade** (ie U16 can compete in U18 etc, Masters can compete in the senior grade) but will only be eligible for one title. Throwers will throw the appropriate weight for their grade. U16 athletes (age as at 31.12.19) will use NZSS specifications. Masters athletes will use specifications for their 5yr age band. Please select your competition grade when you enter each event.

6. Athletes are required to check in at the registration desk one hour prior to the event start time or be scratched from their event.

7. Athletes are required to scratch from an event by emailing marshallclark21@gmail.com or scratch on the day, either in person or by sending a text 021 442305. Please be considerate to your fellow athletes, as an event which appears to require a heat could go to a straight final if there are sufficient scratchings.

8. The following event programme is a draft, and final times will depend on the number of entries. A Final programme and start lists will be published on the Athletics Wellington website by 8pm Thursday 30th January. Please check this for updates.

9. Heats/Finals – **PLEASE NOTE:** If heats are required for the 100m, they will be run on Saturday from 11.00am. If 200m heats are required, they will be run on Sunday from 11.45am. Athletes will be

advised 48 hrs prior to the meeting if heats are required in their age grade. If, on the day, no shows turn a heat into a straight final, then the final will be run at the heat time. Athletes please be warmed up and prepared in case this happens.

10. Entry fee is \$6 per athlete per event.
11. Entries close 11.59pm Tuesday 28th January. **THERE WILL BE NO LATE ENTRIES ACCEPTED AFTER THIS TIME and NO ENTRIES WILL BE ACCEPTED ON THE DAY.**
12. Field events marked with an * in the programme below are also Masters Pentathlon events. (*the first 3 throws count towards Masters' Pentathlon)
13. **Dispensation for eligibility for Wellington team for National Champs** - To be eligible to be selected for the Wellington Centre team at the National T&F Champs, you will need to compete at these Wellington Championships. If for any reason you are unable to compete at the Wellington Champs you must apply for a dispensation by email to Marshall at marshallclark21@gmail.com and provide a bona fide reason.
