Athletics Wellington Squads for NZ Schools Interprovincial Cross-Country Relays

The Athletics Wellington Selectors announce the following Squads for the New Zealand Secondary School Cross Country Relay in Nelson on Sunday 19 June at Saxton Field.

The relay is the second day of the annual NZ Schools Cross Country Championships. On day one is the individual races they represent their schools and on day two athletes represent the region over the 5 lap 2.0 km cross country event.

We ask all athletes to confirm that they are available with Athletics Wellington Team Manager John Cope and assistants Jacqui Cope and Julie Richards after your Individual races on Saturday. Teams will be finalised on Saturday evening so any additional changes can be made prior to 8.00am on Sunday for the results management team. In several cases reserves or additional runners have been named which will require these final selection decisions.

For any enquires please contact John Cope [022 153 2683] or Julie Richards

All athletes are required to have an Athletics Wellington singlet. Team management will have these available including those who have placed orders online.
