**Heading:** Revision of Levies 2024 – 2025 Season

Dear Club Chair/President

**Athletics Wellington Levies for 2024 - 2025 Season.**

The Athletics Wellington Board has reviewed its levies for the **2024 - 2025** season following the review and recommendations undertaken by Athletics New Zealand.

On this occasion Athletics Wellington has made minor adjustments as recommended by Athletics NZ to align with cost-of-living increases and to abate steeper rises in the future. The Athletics Wellington Board is very conscious of rising costs for society and the impact that this could have on participation in our sport, but believe it is important to stay abreast of general increases in costs.

In line with the new structure implemented by Athletics NZ last season there has been one further new membership fee option for the new season. This **NEW** option is for **Competitive Athletes aged Under 23**. This small concession is designed to give to athletes in this age group many of whom are students greater support.

Changes to the membership options and prices will come into effect from **1 April 2024**. Clubs are reminded that in 2023 Athletics NZ introduced the new flexible membership options and pending members should be reminded they have the rolling membership option for members 20+ year old.

Clubs were advised that if they contact Athletics NZ, they are willing to complete your individual club fees set up in Game Day with ANZ , AW and Club fee structure.

The table below illustrates the increase across the range of membership options.

If you wish to discuss further the upcoming levy changes, please contact Andrew Rook, Chairperson of Athletics Wellington Board at [board@athleticswellington.org.nz](mailto:board@athleticswellington.org.nz)
