Season Entry System for Junior Interclub Meets 2024 - 2025

The entry system for 2024-2025 is the same as for 2023-2024, but the price of the full season entry has increased from \$20.00 to \$25.00 (*The price for those signing up after Christmas for just the two remaining meets in the New Year will be \$14.00*).

Clubs will need to communicate the entry system and season entry fee to parents, including the need to register and pay for season entry in advance, and that this is additional to their club membership.

Financial member status

As with last season, all those registering for the Interclub season must be paid-up members of their clubs. The entry system will not display event options for the Junior Interclub season if an athlete is not a current financial member (including the automatic levy that is paid to Athletics Wellington).

Access to the Interclub Series entry system

The season entry system has been set up in the GameDay Events management module, and is linked from the Athletics Wellington website here: <https://athleticswellington.org.nz/junior/>

Communications with parents

Here is a suggestion for your club communications with parents:

The Junior Interclub meets provide a great opportunity for children to experience and enjoy athletics events including shot put, discus, long jump, high jump, track races from 60m up to 1500m distances, race walking, hurdles, steeplechase and relays. Athletes remain with their age-grade groups during the meet, and move between events in rounds. Events offered for each grade are adjusted to suit the age of athletes, and not all events are offered at each meet. Once you have a season ticket, entry to any of the events in the interclub meet is free. Athletics Wellington will publish a programme of events for each Interclub meet at least a few days ahead.

If your athlete wants to take part in the Junior Interclub meets this season, you must purchase a season entry ticket. The price is \$25, reducing to \$14 if you enter after Christmas (we have four meets in 2023, and two meets in the New Year). The season entry system is linked from the Athletics Wellington website here: <https://athleticswellington.org.nz/junior/>. It is also linked from the Events calendar page for each meet.

Athletes who want to take part, but don't yet have a season entry ticket must complete a registration by 6:00pm on the Friday prior to the next Interclub meet. We will not be taking new season entries or payments on the day.

For queries, please contact your club administrator at: < email >

Notes

- 1: You only need to enter once, for the entire Interclub season
- 2: There will be a separate entry system for the Junior Championships, later in the season.
